MEMORANDUM FOR: Deputy Director for Management
and Services

SUBJECT : Briefing of Assistant Commissioner,
United States Customs Service

1. Action Requested: It is requested that you
approve a proposed briefing described herein.

2. Basic Data or Background: Mr. Glenn R.
Dickerson, Chief of Operations, Department of Customs
has contacted this Office asking for a briefing on
physical security subjects relevant to his interest in
the protection of contraband, e.g., warehouse security,
alarm systems, closed circuit TV, x-ray techniques, etc.
He has indicated that he does not need any briefing on
audio surveillance countermeasures matters of any sort.

3. Staff Position: The Office of Security views
a briefing of Mr. Dickerson and his immediate staff as
a proper and sound liaison effort. To effect such a
briefing would in no way be in conflict with our current
and total avoidance of police or law enforcement training
activities.

4. Recommendation: It is recommended that this
Office be given permission to brief Mr. Dickerson and
members of his staff on the subjects indicated above on
the date, still tentative, of 29 January 1974.
